- **Cottage Meetings**

"Cottage Meetings" will be held in the Parish Hall on Sept. 24, and Oct. 1 for one hour following the service (11:30). At these meetings we will discuss questions that will become a part of the required Congregational Report. This report contains results of the survey and cottage meetings. It is a key document that provides information on "who we are" to ministers on the job market. The Sanford UU Church will hold their meetings on the same days. Search Committee members from both churches will compile the information and add it to our respective Congregational Report.
