The **Maine UU State Advocacy Network** is a statewide advocacy and public policy network anchored in our Unitarian Universalist faith and animated by its principles. MUUSAN links our 25 Maine congregations and many friends in an active legislative ministry. With monetary support from Maine congregations, MUUSAN celebrates and leverages the power of the current progressive legislature which promises to increase community involvement to promote Clean Elections, renewable energy, health care for all, immigrant and indigenous rights. The MUUSAN webpage www.MUUSAN.org provides news on legislative issues, a guide for communicating with legislators, a new Immigrant Justice Toolkit and much more. **Please give generously.**
