- **Message from Rev. Shay**

Dear friends,

I wanted to offer some closing words as we let go of this shared ministry and move on to what's next, but I find myself at a loss as to what to say, so here are the links to my final two sermons - for those of you who were unable to be there and for anyone who would like to revisit what was said. We did some wonderful work together and I take many fond memories and wise lessons with me as I go. I hope you will do the same. All my best wishes and blessings to you as you move forward.
