## Upcoming Events and Activities

- Rev. Lori (she/her)

- Also, I know this year can be a bit confusing about who is your current Rep. and Senator in the 130<sup>th</sup> legislature for the rest of 2022 and what are the new House and Senate District numbers and boundaries going forward after the November 2022 elections into the

131<sup>st</sup> legislature. Whoever was your Rep. and Senator last year(2021) is still representing you this year through the end of the second session in June or July. These are the folks who need to hear from you about the different bills you want them to support or oppose this year.

I have attached a link to the new House and Senate district maps going forward for the next decade. House districts - [DRA 2020 \(davesredistricting.org\)](https://davesredistricting.org) Senate districts - [DRA 2020 \(davesredistricting.org\)](https://davesredistricting.org) If you click on "map colors" (far left side), it will remove the pretty colors and allow you to zoom in to learn the exact boundaries for each new district. If you want any help figuring out your new district numbers and boundaries, contact Patty Kidder via email or cellphone, "[patty\\_kidder@hotmail.com](mailto:patty_kidder@hotmail.com)" or 207-502-9667.

- **White Ribbon Project**

As you are aware, Maine Medical Center and area hospitals are currently overrun with the demands of treating covid and the effects of covid. Our medical staff and support services go everyday to a job that places them and their households at risk. Each time they leave the warmth of their homes, they face career challenges that frequently rise above their own personal emotional and physical resources to complete. Yet, each person served from our community is greeted by a professional ready to meet their needs and the needs of their loved ones.

The White Bow Project is a simple community thank you to our medical and support services for their services and sacrifice by placing a white bow on mailboxes, shrub, or tree. The hope is for this staff to see that their community thanks them and recognizes their sacrifices. When a person places their white bow, they are saying "we are in this together.". The more bows placed, the greater the message of appreciation and community solidarity. May every Maine mailbox have a white bow!
