- **Thoughts from Rev. Lori**

A good Friday to you all,

Let there be delight! A provocative term for a Sunday service, possibly. Especially for those of us who live in our heads. In our thinking world. But if all of what we do is reasoning, we aren't making space to cultivate an imagination of what our communities (church and otherwise) could look like. We aren't able to imagine what the world will look like when we put our faith in action. Come play with me with me this Sunday and help me imagine our community blossoming in ways we can imagine from our left brains. Then let us take our expanding imaginations into the annual meeting and celebrate our work with a more playful, delighted and delightful perspective!

Peace and Blessings
