

Covenant with Youth

We are Unitarian Universalists. Love is at the center of our lives and our community.

We will smile, introduce ourselves, respect your space, lend a hand, ask for help, show you our ways and learn about yours.

We promise to show kindness, patience, and joy.

We will listen first.

We will learn and grow together. We recognize that questions are as important as answers.

We will have fun together.

We will make our shared space safe and nurturing for all;

We will be gentle with ourselves and others when we make mistakes.

We will honor the Earth and all living things.

We will remember that love is our guide, kindness is our greatest tool, hope is our light, and together we are stronger.

We are glad you are here. We will be here for you.

Covenant with New Members

In the bonds of fellowship and love, we unite

To cultivate reverence,

To promote spiritual growth and ethical commitment,

To minister to each other's needs and to those of humanity,

To celebrate the sacred moments of life's passage,

And to honor the holiness at the heart of being.

We welcome you to this community with all our hearts.
